

Curriculum Values Statement

At North Clifton our carefully constructed curriculum provides children with an ambitious, inspiring and high-quality education. Our successes are built on the foundation of our shared values and our consistently high expectations. It ensures that children are supported to be well rounded, compassionate people who have a genuine love of learning. Through challenge and support, we strive for excellence in all we do. Children are encouraged to take responsibility for their learning enabling them to become resilient and independent learners. Children develop a strong sense of moral purpose, in addition to a respect for and understanding of people. Our curriculum is broad and balanced, rich and varied and provides children with relevant experiences and opportunities. We are committed to ensuring that our children are not only ready for the next stage in their education but are also prepared to take their place in a truly global society.
