Autumn Fair

We managed another highly successful Autumn Fair! I don't think we had quite as many people this year, however people still spent well and we raised over £1000!

The whole friends committee would like to say a big thank you to everyone who donated time, prizes or came and spent money. A special thank you to the parents who stayed late and helped us take the marquees down so we could get home at a reasonable time!

We are planning on spending the money this year on the big playground and are looking into updating the trim trail or maybe the playground markings.

There isn't another 'big' event this school year so we need your help more than ever with Amazon Smile, the School Lottery and Easy Fundraising.
