

Home – School – Child Agreement

The following statement describes North Clifton Primary School's ethos, aims and values:

"We are a small school with big ideas. At North Clifton it is our vision that all children will become independent learners. We believe in nurturing their passion, encouraging their individuality and personalising their learning. We believe that the children who take ownership of their learning will achieve their very best. Through the dedication of the staff, the support of the family and the drive of the children, all at North Clifton will challenge themselves and realise their full potential."

In signing this Agreement, we will all be formally affirming our belief in the importance of a strong partnership between our pupils, our parents and the school.
